**Sample Specs**

**Material:**

Woodgrane

**Category:**

Standard

**Description:**

This Woodgrane™ sample features a natural oak grain texture with a factory applied finish. This material, which is based on Formglas GFRG, is non-combustible and allows designers to add a wood look and feel to spaces with limitations on the use of real wood.

**Surface:**

Oak Grain

**Finish:**

Danish Walnut Stain

**Applications:**

Walls
